

## SkySave Online Admission Process

---

*Powered by Takeoff Aviation Academy*

---

SkySave is your flexible, **AI-enhanced** training solution for aviation and professional development. Study anytime, anywhere — 100% online.

### Step 1: Explore & Select Your Course

- Browse the SkySave Catalogue at <https://skysave.takeoff.academy/>
- View full programme descriptions, duration, learning outcomes, and AI-powered features.
- Choose your preferred course(s) and note your intended start date (enrolment is open 24/7).

### Step 2: Complete Quick Enrolment Form

- Fill in the SkySave Online Enrolment Form (name, email, country, course selected).
- No academic or travel documents required.
- Optional: enter promo code (e.g., SS50) for discounts or early bird offers.

### Step 3: Make Payment

- Secure online payment (Stripe, PayPal, Visa/Mastercard).
- Course access is granted immediately upon successful payment.

### Step 4: Receive Instant Access

- You'll receive an automated email with:
  - Your SkySave login credentials
  - Access to the AI-driven course platform
  - Navigation guide and support links

### Step 5: Start Learning – 100% Self-Paced

- Study using gamified content, AI mentors, and interactive tools.
- Pause, revisit, and progress at your own pace.
- Optional live mentorship or feedback add-ons available.

## **Step 6: Complete & Download Certificate**

- On completion of all course modules and quizzes:
- Download your SkySave Digital Certificate
- Option to request a verified certificate for regulatory or HR use

## **Need Help?**

- Email: [info@toaa.aero](mailto:info@toaa.aero)
- Live Chat: Available on the platform
- Learner Support Portal: Access FAQs, technical help, and upgrade options
