

Welcome to the Takeoff Incubator& Innovation Hub

We're excited to have you join us!

This short module will help you get started with the TalentLMS mobile app and guide you through logging in and accessing your course materials—**even when offline**.

How to Log In Using the Mobile App

1. Download the TalentLMS App

- iPhone/iPad: Open the App Store
- Android: Open the Google Play Store
- Search for TalentLMS and install it

2. Launch the App

- When prompted for the domain, enter: takeoff
3. Tap "Next", then select the branch as given in your Welcome Package
 4. Enter your username and password, then tap Log In
 5. Begin your course by selecting it from the dashboard

Using the App Offline

- Tap the cloud icon  at the top of your course screen to download your course materials
- This will allow you to access and study your content without an internet connection
- Once you're connected to Wi-Fi again, your progress will sync automatically with the platform
