Riley Donovan

GOALIE

#28

Riley has been playing lacrosse for 13 years, she started playing for the school in 7th grade and this is her 4th year on the varsity team. She spent her summers and falls playing club for ADK.

Riley would like to give her biggest thank you to her first and favorite coach, her dad. She is so grateful he stuck her in the goal when no one else wanted to, and wouldn't be where she is today without him by her side for the past 13 years. Riley would also like to thank her school coaches, Coach Shannon, Coach Jones, Coach Blanchard, Coach Riegel, and Coach P for holding her accountable and making sure she is always at her best. She'd also like to thank her club coaches, Bill White and Greg Giombetti, for exposing her to top level lacrosse and always keeping it fun and exciting. Finally, Riley wants to thank her mom for always being her biggest supporter, her brothers, Jake and Matt, for all the shooting sessions in the backyard, and her best friend, Schuyler, for the endless support off the field.

Riley's favorite memories from lacrosse over the years are winning the section title her sophomore year and the many tournaments she played in with her teammates every summer.

Next year, Riley will be continuing her academic and athletic career at Clarkson University, playing lacrosse for the Golden Knights and majoring in civil engineering.

Sophie Klein

ATTACK

#23

Sophie started playing lacrosse in first grade, and this is her 2nd year on the varsity team. Sophie has also played for the ADK lacrosse club for the past 7 years.

Sophie would like to thank Coach Blanchard and Coach Shannon for always believing in her. Sophie would especially like to thank Coach Jones for making her the player she is today and keeping her involved in Bethlehem lacrosse even when she was out due to injuries.

Sophie would also like to thank her mom, Jackie, and sister, Abby, for being the best cheerleaders she could ask for. She would like to thank her dad, Stu, for being her first and favorite coach, as well as for the countless hours he has spent driving her all around the northeast to play lacrosse.

Lastly, Sophie would like to thank Nina for being her best-friend and the best teammate she could ask for, 5 hours isn't that bad! Sophie's favorite memories are all the bus rides to Syracuse and any time spent with her teammates.

Sophie will be continuing her athletic and academic career at Le Moyne College where she will be playing lacrosse and majoring in Bio-Chemistry in the Physician Assistant program.

Nina Palella

DEFENSE

#15

Nina has been on Bethlehem Varsity lacrosse for four years and plays club lacrosse for Salt City Snipers. She would like to thank Coach Blanchard, Coach Jones and Coach Riegel for helping her become the player she is today. She would also like to thank Coach Shannon for cutting her from modified in 7th grade and giving her the motivation to become the player she is today.

Nina would also like to thank all of her family (especially her mom) for never missing a game, and her friends for their endless support on and off the field. Lastly, she would like to thank her passing partner, Sophie, for being her best friend throughout high school and never leaving her side. Her favorite memory with Bethlehem lacrosse was winning Sectionals in 2021.

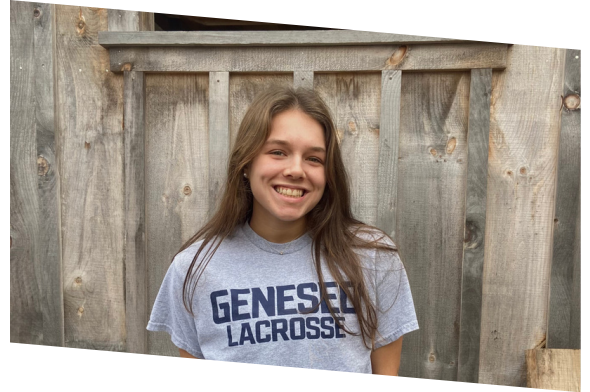

Nina will be continuing her academic and athletic career at Johns Hopkins University studying Sports Health and playing Division 1 lacrosse. She wishes the best of luck to the girls next season and thanks the girls for the best lacrosse seasons together!

Violet Piccinini

DEFENSE #4

Violet started playing lacrosse for Bethlehem in third grade. She also spent her summers playing for Albany Power Lacrosse Club.

She would like to thank all of her coaches who have gotten her to this point, especially coaches Shannon, Riegel, Blanchard, Delano, and Jones. And of course, her very first coaches Stu and Ryan.

Violet would also like to thank her parents for taking a chance on the sport of lacrosse. Also, for driving her to every single tournament and practice, none of this would be possible without them.

Her biggest thank you goes to her teammates who have been there through it all, she is proud to call them her best friends. Her favorite memory is getting hyped together before games and celebrating afterwards.

Violet will continue her academic and athletic career next year at Geneseo where she will be majoring in Sustainability Studies and playing lacrosse for the Knights.
