Mae would like to give a special thanks to her family for their endless support. She would like to thank her mom for her motivation, her brother Owen for helping manage the team last year, her brother Finn for being her biggest competition and especially her dad for everything he has done for her lacrosse career and, most importantly, introducing her to the sport of lacrosse. Lastly, Mae would like to thank her team for being some of her best friends and making the past four years so fun.

Mae's favorite memory with the team is their trip to Cortland for states.

Next year, Mae will be continuing her academic and athletic career at the University of Vermont where she will be studying Exercise Science and playing lacrosse.

GABBY CRELLIN

#22 - DEFENSE

Gabby is joined tonight by her parents, Ameera and Clint.

Gabby has been playing lacrosse since 7th grade and has been a part of the varsity team for 3 years.

Her favorite memories consist of going to My Place for motz sticks, team sleepovers and pasta parties.

She wants to thank her family for driving to endless practices and tournaments. She wants to thank her dad especially for being her number one supporter and playing catch with her in the yard. Gabby wants to thank her club coaches, Coach Shannon, Coach Blanchard and a special thank you to Coach Jones and the Jones family for believing in her when she had never played lacrosse before in 7th grade and taking her on the modified team. Coach Jones always believed in her and gave her a love for the game, and she will appreciate that forever. She also wants to thank her teammates for being her built-in family. She wants to thank her best friend Kait for always being by her side, and she can't wait to cheer her on as she kills it at Marist.

Gabby plans on continuing her academic and lacrosse career at Ithaca College, following in her mom's footsteps.

ADDISON DAGGETT

#3 - MIDFIELD

Addison would like to thank all of her coaches who have gotten her to this point especially Coaches Blanchard, Delano, Jones, Riegel, and Shannon.

She would also like to thank her family for never missing a game, and especially her mom for always being her biggest fan.

ELLIE KOPPLIN

#20 - DEFENSE

Ellie is joined tonight by her parents, Beth and Stuart.

Ellie started playing lacrosse when she was seven, and she has loved the game ever since. This is her second year on the varsity team. She also played with Albany Power and 518 eXcelerate.

Ellie would like to thank all of her coaches starting with Coaches Donovan, Klein, Tietjen and Ward. They introduced her to lacrosse in a fun environment and created the foundation for the rest of her lacrosse

career. She would also like to thank Coach Shannon who helped her grow as both a lacrosse player and person on the junior varsity team. Ellie is grateful to Coach Jones for setting high standards and helping her achieve them. Finally, Ellie appreciates how Coach Blanchard pushed her to do her best on the field and to be a supportive teammate.

Ellie would also like to thank her parents for so many rides and for cheering on all of her teams during games. She thanks her brothers, Andrew and Henry, for being the best backyard practice partners ever. Next, Ellie thanks her teammates for their endless support and encouragement particularly after she was injured. Even when she couldn't play, they made her laugh and always made sure that she felt like she was part of the team. Finally, she is extremely grateful for her best friend, Kirsten Phang, who always has her back on and off the field. Ellie is thrilled that Kirsten will be just 18 miles away next fall so that they can be homesick together.

Ellie's favorite lacrosse memories are her sideline celebrations with her fellow members of the 2023 injury squad: Clare Megahey and Addison Daggett.

Ellie is attending Hamilton College in the fall to study Computer Science and Biology. She dreams of becoming a doctor.

Ellie is sad to hang up her lacrosse stick, but she will cherish her memories and enjoy her friendships for the rest of her life.

They have dedicated countless hours to allow her to play lacrosse and have always been her biggest cheerleaders. She will always be grateful to her parents for forcing her to try lacrosse in the third grade. Without them, she never would have fallen in love with the sport.

Caroline's favorite lacrosse memories are beating Shen to win sectionals her freshman year and going to States with all of her best friends her junior year. She is so thankful for the family that Bethlehem lacrosse has given her. She will always be an Eagle.

then being her varsity coach. Kirsten thanks the Jones family for the summer clinics and extra help. Kirsten would like to thank Coach Riegel for being a great, positive voice on the varsity team her sophomore year, as well as many travel coaches she had while playing for Albany Power and 518 eXcelerate. Above all, Kirsten is grateful to her family: her parents for driving her to the countless away tournaments and games and supporting her both on and off the field, her brother Matt for coming to any games he can make it to, and her brother Nate for throwing around with her in the backyard.
