Italian Film Night

Tuesday, October 8 at 7:00 p.m.

Celebrate Italian American Heritage Month with Nutley UNICO and the Nutley Public Library at a screening of *Gianne e le donne (The Salt of Life)*, a comedic 2012 Italian language film with English subtitles. Gianni de Gregorio stars as a middle aged man who has become invisible to all as he sees his other “codger” friends snare beautiful women. His attempts to generate some type of love life have hilarious and poignant results. Doors open at 6:30 for refreshments provided by Nutley UNICO.
