A BRIEF HISTORY OF NUTLEY UNICO

by Dr. Frank Cocchiola, Jr., Past President

A group of concerned Nutley men first met in 1953 to discuss ways to develop Italian-American pride and concern for equity. They called their group the “Columbus Civic Club of Nutley” and met at 351 Passaic Ave. The men who were responsible for the genesis of our chapter included Dr. Robert Citrino, the first president of the Columbus Civic Club, which lasted until 1958; Larry Varone, the Columbus Civic Club’s fourth president, who followed, Frank Cocchiola, Sr. in that role and then became the first president of the Nutley Chapter of UNICO National in 1959. The inaugural UNICO dinner was held on Oct. 10, 1959 and was chaired by Frank Cocchiola Sr. The signature page of the original UNICO National Charter application signed on August 12, 1959 includes the names of 53 men whose influence on our town and on many of us personally is still felt today, among them Citrino, Samara, Orechio, Viola, Biondi, Negra, Ritacco, Zinicola, and Cocchiola to mention just a few.

Today Nutley UNICO is one of the largest chapters in the nation, and in 2002 we were recognized by UNICO National as the Model Chapter in the nation. In 2009-10 we elected our first female president, Marie Lucarella Solimo. Our legacy is in the efforts of our chapter to promote our Italian culture and heritage. Specific initiatives include the donation of the Columbus statue in front of Nutley Town Hall in 2000; the Brian Piccolo scholarship breakfast first held in 1994 and chaired by Jim Piro and Frank Cocchiola Sr., the Columbus Quincentennial program in 1992 coordinated by Al Ficocella. The chapter has had a national officer, Steve Mairella, a Past President and former chapter scholarship recipient in 1974, which served as UNICO National Secretary in 2002. We have had UNICO National award winners: including Dr. Vincent Grasso, a Marconi Award winner, Anthony Buccino, a William Paca Americanism Award winner and Dan Geltrude, an Ella Grasso Literary Award winner.

The UNICO motto is “Service Above Self”. Our organization believes in this creed and exhibits this through our national and local donations to causes that over the years have included earthquake relief funds sent to Torella Dei Lombardi in 1980 during the presidency of Potito (“Pat”) D’Antuono; annual contributions to UNICO National causes such as the Jimmy V Fund and Cooley’s Anemia research, as well as numerous local contributions to assist those in need within our own community; and, of course, our major commitment to education in the form of support for Italian Studies chairs at various universities, most notably Seton Hall and Montclair

State, and our local scholarships that yearly total approximately \$30,000, several of them sponsored by individual members in honor of their families and parents.

On June 29, 1961 one of our Charter Members, Carmen Orechio, said that “There is no room in the organization for anyone who wasn’t ready to be of service”, and “that it is time we were ready to stand up and be counted”. The founders of Nutley UNICO did stand up and we are still standing today in celebration of our Italian-American heritage and ethnicity. Our future is every bit as bright as our past!

HISTORY OF UNICO NATIONAL

UNICO was founded on October 10, 1922 in Waterbury, Connecticut. A group of 15 men, led by Dr. Anthony P. Vastola, came together to create what has become a very special and very proud organization. It was Dr. Vastola's dream to create an Italian American service organization to engage in charitable works, support higher education, and perform patriotic deeds.

The name UNICO was selected as best representing the nature and the character of this fledging organization. The name is the Italian word for unique, one of a kind. The founders believed that UNICO would be the only one of its kind because it placed service to the community before and above fraternity. At the same time they hoped that the rest of society would come to know and understand the real contributions of Italian Americans to our way of life. Its sole purpose was to unite all Italian Americans and motivate them to become more civic minded. In order to accomplish this, members would have to understand that they would have to make sacrifices, not for personal gain, but for service to others. In the ensuing years UNICO became an acronym that stood for Unity, Neighborliness, Integrity, Charity, and Opportunity.

NUTLEY UNICO PRIDE IN ACHIEVEMENT

The Nutley UNICO "Pride in Achievement" Scholarship was created to recognize those students who, while perhaps not being at the very top of their class, have made the most of their talents and abilities, often in the face of some type of adversity. This scholarship goes to students whose achievements are worthy of recognition as a "personal best."

They have demonstrated the character and work ethic that we identify with so many of our Italian immigrant ancestors. While need is a relevant consideration for all of our scholarships, this one weighs need a little more heavily, recognizing that students who rank at the very top of their class often receive multiple scholarships, while those who do not, though often deserving, do not.

NUTLEY UNICO BRIAN PICCOLO ATHLETE SCHOLARSHIP

The Brian Piccolo national award started in 1977 and Nutley UNICO is very proud to be associated with perpetuating the name of Brian Piccolo.

Brian Louis Piccolo, was born October 31, 1943 in Pittsfield, Massachusetts to parents Irene and Joseph Piccolo. He married Joy in 1964 and the three most important things in his life were Lori, Traci and Kristi, his daughters. He was a proud Italian American who was

dedicated to his family, friends and determined to succeed in football.

In high school, Brian was an athlete of three sports, baseball, football and basketball. He had planned to play major league baseball right up to the time he received a scholarship to attend Wake Forest. While leading the team to a winning season at Wake Forest, he earned National titles for rushing and scoring. He signed with the Chicago Bears in 1964, and spent four active seasons with them. In his short season as a Bear, he made 5 TD's, gained 927 yards rushing and 537 yards pass receiving. Brian's illness finally overcame his will. After seven months of pain, suffering and many treatments the battle with cancer was over...on June 16, 1970 Brian Louis Piccolo suffered no more.

It has been stated that the measure of a man can be understood from one of Brian's quotes. "The first thing a guys got to have is determination, because a man's career is such a long road. There are many ups and downs along the road. You've got to believe in yourself, not to show anyone else, but just prove it to yourself".
