

AMOUR

The Amour Story

A fine art self-love experience.

*This is for the woman coming home to herself.
Whether you're celebrating growth, healing, confidence, or
simply craving a moment to see yourself — truly see
yourself — AMOUR is your invitation.
Photographed in sculptural light and cinematic stillness,
this is a space to soften, reconnect, and be held — exactly as
you are.
AMOUR is a deeply intentional experience — created to
honour your body, your story, and your becoming.
In a world that asks women to shrink, edit, or perform,
AMOUR is a reclamation. A quiet, powerful act of self-love.
You don't need to be "ready" — you just need to show up.
Every curve, scar, softness and shadow is seen and
celebrated.*

*These aren't just photos.
They're personal heirlooms.
Proof of presence.*

A love letter ~ to self.

WELCOME

Hello Gorgeous,

*Firstly — take a moment to honour yourself.
Whether this session feels like a bold leap, a quiet reclaiming, or
something long overdue, it's a powerful act of self-love.
AMOUR is not just a shoot. It's an offering — a moment to
reconnect with your body, your softness, your story.
Whether you're here to celebrate, to heal, to see yourself clearly,
or simply to feel — this space was made for you.
You don't need to be "ready." You don't need to know how to
pose.*

*You just need to show up — as you are, in this season of your
becoming. I'll guide you gently through every step, holding space
with care, presence, and reverence.
I know how easy it is to shrink or self-critique — especially in
front of a camera. But AMOUR isn't about perfection.
It's about presence. It's about seeing yourself fully — and loving
what you see.
This is a co-creation. A ceremony. A love letter to your now.
And I am so deeply honoured to hold it with you.
I've got you — and I cannot wait to create something timeless,
together.*
