

# IGNITE YOUR PASSION

*12-week Transformation Program*

*with Tommi Hanley*

## **Program Goals:**

- Discover your passion, overcome self-doubt and follow your purpose
- Improve your focus and commitment to your needs
- Learn how to consistently improve your mindset
- Satisfy your desire to help others and make a contribution
- Develop goal setting strategies to achieve your passion
- Learn how to monetize your passion

In this program you are going to figure out what your passion is and learn how to take the next steps forward to make it a reality.

Take an inward journey to identify the exact sub-conscious blocks that are keeping you from achieving your passion and making *you* a priority.

## **You will:**

- Examine all areas of your life to see what's working and where you want to change
- Define what your best life looks like
- Identify the blocks that keep you stuck
- Gain access to a toolbox of strategies that will empower you to move forward with confidence
- Energetically align & shift your vibration to follow your passion
- Become a master goal setter
- Create an Action Plan and take action!
- Celebrate Milestones and the New You

# Program Deliverables - The Passion Process™

In this course you will be guided through the simple, proprietary PASSION Process™ to become a confident and fulfilled woman who helps others and serves a higher purpose.

- **Find Your Passion Blueprint:**
  - Learn how to find your exact passion and finally know which direction to follow in life, eliminate self-doubt and know exactly what goals to focus on to begin manifesting your purpose.
- **Master Your Mindset:**
  - Master the step-by-step mindset method that will give you more structure in your life to consistently achieve your goals and fulfill your passion.
- **Ultimate Fulfillment:**
  - Discover how you want to serve others, share your passion with the planet and spread peace on earth by becoming the best version of yourself, to be seen, and show up as your authentic self.
- **Reclaim Your Time Method:**
  - Learn how to accomplish your goals and live your passion by finding a manageable work/life balance, prioritizing self-care and finding a routine that gives you time for yourself.
- **Passion Monetization / Optimization:**
  - How to turn your passion into a viable career (or long-term source of fulfillment), doing what you love, equipped with a plan to move forward with clear direction and confidence.

You will receive all the support you require to effectively implement this process and consistently live as your most passionate, authentic and inspired self.
