

Speed Networking

On Tuesday morning, we have a block of time divided into three 20-minute Speed Networking Sessions. Conference guests can attend all 3 sessions in a single track, or pick and choose, one session per time slot in various tracks. These sessions are designed for a quick overview of particular topics to allow guests to exchange ideas as well as connect with others for further networking over the course of the conference.

	Speed Networking 1 TUESDAY, 8:30-8:50 AM	Speed Networking 2 TUESDAY, 9:00-9:20 AM	Speed Networking 3 TUESDAY, 9:30-9:50 AM
ADMINISTRATION	Using AI and "ChattyB" in Your Camp Ministry Connect with others currently using, or curious about using forms of AI and ChatGPT. We'll talk pros/cons, tips/tricks, and boundaries of use. <i>Lori Hancock</i>	Finances in Camp Ministry <i>Lori Hancock</i>	All Things Registration Software <i>Lori Hancock</i>
FACILITIES	You're not alone. We've been where you are. Can we talk? <i>Panel Discussion</i>	When everything breaks at once. <i>Panel Discussion</i>	What is working well at your camp? <i>Panel Discussion</i>
FOOD SERVICE	Food Allergies or Dietary Preferences How are you handling these? Are you accommodating? Do guests with these needs have to "fend for themselves"? <i>Shannon Kubisiak</i>	Kitchen Management What are you using to track inventory? Staff schedules? Menu planning? Recipes? <i>Melissa Stephenson</i>	Portion Control & Waste Do you use standard, recommended portions for all? Weight specific or serving utensil guided portions? How do you handle leftovers? Have you found a way to prevent too many without risking the possibility of not having enough? What about composting or recycling? <i>Melissa Stephenson</i>
GUEST SERVICES/ FIRST IMPRESSIONS	Creating "Holy Space" Beyond cleanliness, how do we use aesthetics, ambiance, and attitude to create an environment that feels welcoming and conducive to encountering God? <i>Marley Butler</i>	Fix-It Fast: Feedback Loops What is your system for guests to report maintenance issues or supply needs, and how quickly is it resolved? <i>Marley Butler</i>	"The Golden Rule" Scenarios Share a challenging guest service scenario and how your staff handled it, or how you train them to handle it. <i>Marley Butler</i>
LEADERSHIP	Leading the Next Generation <i>Ben Miller</i>	Trends in Camping <i>Randy Pim</i>	Books that Camp Leaders Need to be Reading Be ready to share what books have helped you along the way. <i>Gary Baker</i>
PROGRAMMING	What is Hot and What is Not, in Camp Programming? <i>Andrew Johnson</i>	Camp and Senior Adults What programming are you using for this demographic? What is the mutual benefit for churches and camps? <i>Andrew Johnson</i>	Camp Programs for Students that Don't Like "Camp" Outside the box ideas. <i>Andrew Johnson</i>
SPIRITUAL	Sharing the Struggle With Jesus and Others Who are you in Him, not the hustle? What's your holy 'no'? <i>John Hancock</i>	Early Diagnosis and Burnout Shadows What's your soar story, and how do eagles often act like chickens? What is a burnout shadow flickering in your life and leadership? <i>John Hancock</i>	Green Pasture Strategies What ARE still waters and green pastures in real time? Can you walk away from CCL with one doable step forward? <i>John Hancock</i>
