

Plants

Annuals, Perennials, Trees, Shrubs, Tropical, Houseplants, and Succulents

***“Very helpful folks.
Nice supply of outdoor
plants, some that you
won't find other places.
Happy to support this
local place.”
-Carol A.***

Our plant selection is curated with long-term health, sustainability, and the surrounding environment in mind. We follow an Integrated Pest Management (IPM) program, use organic fertilizers on all of our plants, avoid harsh chemicals whenever possible, and carry a wide selection of native and pollinator-friendly plants. We also offer responsible solutions to help manage plant pests and diseases while supporting healthy, balanced landscapes.
