Who We Are

York Woods Tree is a family-owned business built on hard work, strong roots, and decades of experience serving Southern Maine and New Hampshire. What began as one man tree service has grown into a full-scale landscape supply company known for quality materials, reliable service, and a commitment to our community.

Today, our primary focus is producing premium mulch, supplying bulk products such as loam, compost, and aggregates, and providing dependable trucking and delivery services for homeowners and contractors alike. We also offer a full selection of hardscape materials—from stone to base products—along with a curated assortment of trees and plants for landscape projects of any size.

Whether you're tackling a backyard refresh or managing large commercial jobs, we're dedicated to supporting you with trusted landscape materials, knowledgeable guidance, and a partnership built on honesty and reliability. As we continue to grow, we remain committed to the values we were built on—let our family help your family.

Services

York Woods Tree provides professional, reliable services to support homeowners, contractors, and wholesale partners alike. Our experienced team and diverse equipment help keep projects moving efficiently.

Major Services

Bulk deliveries, tree clearing, stump grinding, mulch, compost, wood chips, green waste recycling, pipe material, hauling, hardscape supplies, garden center, tools for landscaping, and more.

Whatever the size of your project, we're here to provide dependable solutions and expert guidance every step of the way.

Open year-round, 7 days a week.

Wholesale & Retail

Contractor, landscapers, and municipalities welcome.

At York Woods Tree, we proudly serve both homeowners and professional landscapers with reliable materials, flexible ordering options, and dedicated customer support.

Wholesale Accounts

We offer competitive wholesale pricing and priority service for landscapers, contractors, property managers, towns and more.

To qualify for wholesale purchasing, your company must complete and submit a wholesale application and receive approval from York Woods Tree.

Wholesale benefits include:

- Tiered discounted pricing on bulk materials, hardscape supplies, and plants
- Priority delivery scheduling and special orders
- Dedicated support from our wholesale team members

How to Apply:

Stop in our store or scan the QR code provided to the right to fill out the wholesale application. Applications can be dropped off at the store or emailed to michael@yorkwoodstree.com. Once approved, you'll receive your account details and full access to wholesale pricing.

Bulk Products: Pickup or Delivery

York Woods Tree is proud to produce all of our own mulches, composts, loam blends, and wood chips right here on-site, ensuring consistent quality you can trust. Our aggregates, stone, gravel, and specialty bulk materials are carefully sourced and hauled in from trusted suppliers to give our customers a wide and dependable selection for any outdoor project.

Our bulk landscape materials are available by the yard, ½ yard, or 5 gallon bucket.
