Hardscape: Boulders

We carry a large, ever-changing assortment of boulders in all shapes and sizes—from pieces small enough to pick up to extra-extra-large statement rocks. Customers are welcome to walk our yard, browse the selection, and choose the exact boulders they want. Once selected, we weigh them and load them onto your truck or trailer, or arrange delivery with our log truck for larger pieces.

\$0.13 per pound.

Hardscape: Pavers & Wall Stone

Choose from trusted paver brands to suit any hardscape project. Special orders available for Unilock, Ideal, Belgard, Keystone, and Orange.

Part of the GravityStone family of wall systems, Fat Face provides a strong, durable, and attractive retaining wall solution for a variety of site conditions using a plug style connection.

We stock a variety of pavers and Fat Face wall block for residential and commercial hardscape projects. These products are selected for durability, consistent quality, and compatibility with a wide range of landscape designs. Availability varies by style and color, and our team can assist with specialty ordering, pickup, or delivery.
