

Plant Care

We stock a full range of plant care products to support healthy growth and responsible pest management, including fertilizers, insecticides, pesticides, and miticides.

For customers following an Integrated Pest Management (IPM) approach at home, we offer live beneficial insects such as ladybugs, lacewings, and praying mantis egg cases in May.

Our selection is designed to provide practical solutions while encouraging responsible, informed use based on plant needs and pest pressure.

Tools & Supplies

Our store stocks a selection of tree gear for tree climbers, including hard hats, ropes, carabiners, and more.

We carry a variety of landscape fabrics designed to control weeds, improve drainage, and stabilize patios. Sizes vary.

We carry a selection of supplies and tools to support landscaping, planting, and hardscape projects of all sizes.

Gloves for every workday, every season—from light gardening to heavy hauling, with options suited for year-round work, cold weather, and heavy-duty use.
