SPAIN (13NOV2020): "The **CRYSTAL FLUTE AWARDS** are a new annual event celebrating and recognizing women who share a dedication to Sparkling Wines, and 'tis the season for bubbly," says Jessica Stockwell, founder and creator of **CAVASocials.org** and director of this event.

The CRYSTAL FLUTE AWARDS was a personal project started in January 2020 by Jessica Stockwell. She had a grand vision of a celebratory event for wineries in the Catalunya region of Spain recognizing the women who are leading the way in the sparkling wine industry with their entrepreneurial spirit. "These women inspired me and were engaging with their hands-on experience, knowledge and years of research, innovation and wisdom."

"In the short period of time between Covid-19 'State of Alarms' in early March and then again in September/October, I was able to visit a few wineries and establishments in Barcelona and Penedès. I met these dynamic women who are owners/oenologists/sommeliers running their establishments."

Impressed by the concentration of **CAVA**, **Corpinnat** and **Sparkling Wines** where she is a new resident, in Barcelona—Jessica decided to focus on the study of CAVA. "As a freelance writer, and travel journalist I decided to dedicate myself to learning and following all things CAVA for the year 2020, however, everything stopped when the global pandemic hit in March."

The **CRYSTAL FLUTE AWARDS 2020** was celebrated on 12NOV2020 as a private inaugural event hosted by Jessica Stockwell, CAVASocials.org in collaboration with Partners in Wine: Nathalie Vivas and Mary Anna Ossa. It included 10 Award letters and CRYSTAL FLUTE AWARD Medallion packets (hand crafted) complete with an original art illustration signature of crystal flutes, sent to each of this year's recipients.

And in honor of the event— a small online gathering took place with crystal flutes filled with sparkling cava and a toast to all with thanks and gratitude for this year's harvest 2020.
