### One last note:

We are entering into the tough part of our season now, February, and sometimes March. These months can be hard on clubs and shooters. If you see a club or a shooter needs help, please step up and help out if you have a bit of free time. Even if it's scoring one squad, loading the traps once, or helping someone carry their things from field to field or out to their vehicle for them. Just a little bit of help goes a long way. Thank You.
