# INLAND WATERS TRAP LEAGUE SHOOT RESULTS

**Happy Holidays!!**

## Hol-Field Rod and Gun Club

*Before we get to the results, I'd like to take a moment and wish all of our Trap Shooters and their families a Very Merry Christmas and a Happy New Years. Thank You all for your help this year.*

*The 5<sup>th</sup> shoot of our 79<sup>th</sup> season is now in the books. Thank you to the 146 shooters that took time out of their weekend to make the trip to the Hol-Field Rod and Gun Club to shoot 148 rounds of some clay targets that were tricky at times. There was a bit of a cold stiff breeze both days. Overall, not terrible for the first weekend in December. Thank you to the crew of The Hol-Field Rod and Gun Club for running a great shoot. There was some good food was available both days.*

## One last note:

*We are entering into the tough part of our season now, January, February, and sometimes March. These months can be hard on clubs and shooters. If you see a club or a shooter needs help, please step up and help out if you have a bit of free time. Even if it's scoring one squad, loading the traps once, or helping someone carry their things from field to field or out to their vehicle for them. Just a little bit of help goes a long way. Thank You.*

*See you at Rochester Brooks Gun Club in January!*
