INLAND WATERS TRAP LEAGUE
SHOOT RESULTS

Next Shoot

The Mendon Conservation League will host the 4th shoot of the season on November 7th and 8th. This will also be the first STEIN and HAYES event of the season. Also this is the last shoot for shooters to join the league. Hope to see you all there.

Scholarship Applications available

Scholarship applications should be available for the first 8 shoots for all the Seniors that plan to go to college. The application and necessary paperwork will need to be turned by the last March shoot at Outlet Rod and Gun Club. If you need the application please let your director know and I will email them or you one. I'm going to try to get this on the website so that individuals can open it and print it out.

A couple of clubs still need Trap Shooters!!

If you know of any trap shooters that may want to shoot some trap this winter please refer them to the Inland Waters Trap League. Ontario Rod and Gun Club and Hol-Field Rod and Gun Club each need shooters.
