

THE LITTLE BROWN JUG TRAP LEAGUE

2026 SHOOT RESULTS

9th Shoot of the season **Walworth Sportsmen's Club**

Well, we are at the end of the 2026 Little Brown Jug Trap League season with only one shoot left. With the ninth shoot in the books 159 shooters took time out of their weekend to make the trip to the Walworth Sportsmen's Club to shoot 190 rounds of trap. The weather was comfortable both days but Saturday proved to be the better day to shoot as there was less of a breeze. Sunday was overcast at times and the variable breezes made for some tricky targets. Thank you to the crew at the Walworth Sportsmen's club for an awesome job. Awesome food was available both days also.

Reminder

Any shooter that has their first ever 25 straight or 50 straight in the Little Brown Jug Trap League please let your director know to let Jerry Abbott know. Or you can have the host club mark it on the club team sheet at the shoot.
