The first Stein event was held at the Mendon Conservation League. Congrats to Dave Pedulla on winning the first of three Stein events with a 50 straight. Great shooting Dave. There was three more 50s but these shooters decided not to play the Stein event. Please remember you can win some money by winning these events.

Next Shoot

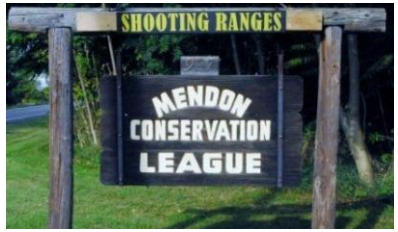

The MacDougall Sportsmen's Club will host the 5th shoot of the season on December 5th and 6th. Hope to see you all there.

Remember Mendon was the last shoot for new shooters to join the Inland Waters Trap League for the 26/27 season.

Lost and Found

Someone left a choke tube on one of the benches at Mendon Saturday during the shoot. I have this choke tube. If you text me at (315) 651-2540 and describe this choke tube I will get it to you at the next shoot.

Scholarship Applications available

Scholarship applications should be available for the first 8 shoots for all the Seniors that plan to go to college. The application and necessary paperwork will need to be turned by the last March shoot at Outlet Rod and Gun Club. If you need the application please let your director know and I will email them or you one. I'm going to try to get this on the website so that individuals can open it and print it out.
