GROUP

RLD LIMITED GROUP CAPABILITY STATEMENT

ABOUT US:

Founded in 2020 by Derrica Wilson, RLD Limited Group is a consulting firm that partners with law enforcement agencies to help improve their overall performance and the community it serves.

Derrica is also the co-founder of Black and Missing Foundation (BAMFI), a former police officer and Chief of Compliance & Enforcement with the District of Columbia Government. She brings more than two decades of expertise in public safety, security, compliance, audits, investigations, best practices, policy implementation and recruitment.

Derrica cultivated a talent for bringing teams together to develop and implement strategic initiatives with detailed deliverables to improve the overall performance, accountability, public trust, and safety for all.

Mission:

To offer executable recommendations to law enforcement partners while helping them align their performance and recruitment approach with business objectives.

Vision:

To partner with law enforcement agencies, improve their overall performance and the community it serves.
