Club Website

The Club web administrator maintains the LaSalle Stompers web site. The Club web site will be updated on a regular basis with information pertinent to the operations of the club and teams. The primary purpose is to provide a centralized repository for LaSalle Stompers data. Families, players, fans, coaches and executive members are encouraged to use the website resources when facilitating their teams. Feedback to the Club is welcomed and encouraged.

Team Websites

All team web sites are maintained by the webmaster, with input from the team's coaching staff or convener. The team web pages are to promote communication between the families and players with the team.

Website Guidelines

All LaSalle Stompers web sites are to be used as a communication tool for its players, families and members. At no time should any LaSalle Stomper website contain opinions or inappropriate material or information. The webmaster will provide training upon request.

Official Websites Only

If a LaSalle Stomper team decides to use the website functionality they must use the site provided by LSSC. Unauthorized web sites may not be used. It is important for our membership to see Club and Team activities presented as a whole. The Club Website URL is: www.lasallestompers.org.

Newsletter/Bulletins

The Club may issue newsletters to its membership from time to time as required. The newsletters are primarily based on information already posted on the club web site.

Email

The club can be contacted through the email address on the Club web page. We encourage the use of email in order to provide feedback in a timely fashion. All email will be addressed to the Club and will be distributed to the required parties

Coaches Meeting

LaSalle Stompers will organize monthly competitive coaches meetings between the months of August and April. The meetings are again intended to be a two-way communication between the club and teams.

Contact List

The club will provide primary web site addresses and email addresses on the club's website. Check out the club's home page for major links. If a phone number is requested, a person is asked to email requesting the number. All club members will be given an updated list of team staff and executive members annually. Please report any changes promptly to the Club Secretary.
