

# Presentation Communication: Expressive and Engaging

*A great teacher is a great communicator.*

- Connect more directly with students through improved public speaking skills.
- Create effectively organized presentations that keep students engaged.
- Understand the importance of tone as it relates to both audience and subject matter.
- Develop vocal and physical delivery techniques that enhance classroom dynamics.

## Topics Covered:

- Comfortable Confidence
- Managing Nervous Energy
- Organizational Patterns
- Vocal Attributes
- Physical Delivery Aspects
- Attitudinal Cues

Communication  
Education:  
Connectivity with  
Positivity
