

Facilitating Productive Discussions: Positive and Engaging Interactions

A positive classroom experience
starts with constructive dialogue.

- Establish clear rules of decorum and participatory etiquette creating a respectful environment.
- Create productive dialogue that has breadth and depth and is open to a diversity of perspectives.
- Manage conversation flow with active listening and strategic feedback.
- Build engagement through participatory elaboration whereby students feel involved and understood.

Topics Covered:

- Group Dynamics
- Engagement Strategies
- Conversation Starters
- Managing Different Perspectives
- Listening for Connections
- Participation Building
