Memberships Are coming in slowly, but it's still early. Online Membership processing seems to be still working. We've had a few processes through the website that's working out really great! We are at 31 members 8 business membership Totaling of \$1,810 just in memberships Need: envelopes.

	<p>The MSA director unfortunately missed the last meeting. Tickets are going to be mailed on Monday, so last chance to buy some tickets! We sold 323 tickets, \$542. Worth, so we get \$271. out of that!</p> <p>Website: Website has the new trail maintenance and grooming forms that Bob Took the time to make. Hopefully they print out OK. I did have to play with them a little bit. You can join or renew your membership online at rt11streakers.com Anyone want to see or put on the website please let me know!</p> <p>Maps: The maps will be printed as soon as possible. Thank everybody that helped by going out and reaching out to people for these ads as we've made \$2,625</p> <p>Club logo: RSD Graphics in waterboro helped us out tremendously and came up with an awesome looking logo for the club! I would like to get some die cut stickers made to give back in the membership envelopes!</p>
<p>Old Business:</p>	<ul style="list-style-type: none"> a. Trail Map update: Maps have been sent to printers, took in 2,625 and they will cost 1200.00 profit of around 1600.00 b. Sled Updates: Maintenance kits in, try to fix within the next couple weeks, so that sleds can be distributed, Paul Ford from Howe and Howe, helped with wiring on sleds, Question about covers for the sleds, they are about 400 for fitted covers, try to think of alternative ways to cover them, will take suggestions, possibly add go pros to the front of the new sleds and make videos of grooming. c. Kiosk update: Maps for them have come in and have been put together. d. Groomers update: Little bit of work left to do on them e. Trail update: Few more signs need to be put out and a few more boards need to be put on some bridges.
<p>New Business:</p>	<ul style="list-style-type: none"> a. Nature Conservancy in Newfield: Meet with Bob in regards to the B loop. Becoming very strict with stuff, putting up gates to prevent misuse of land. Communicate with them when any trail work is being done. Logging will be done by winter so that B loop will not be affected b. Trail Maintenance Etiquette: Make sure to communicate with any land owners before doing any work to trails. Trail masters need to make sure they know the laws in regards to how things need to be done. One person will be in

	<p>contact with landowners, and the safety officer will be the landowner liaison.</p> <ul style="list-style-type: none"> c. Tree Farm, James Mclean, willing to help get a trail through the Tree Farm. Still need to meet with the president and trail masters to get a trail. Name trail after tree farm or family and possibly have a spot on trail map d. Permission was given by the Wardwell family to go up by the sugar shack in the field. e. Code enforcement officer - wood chips being dumped at the club house, people concerned that they are polluting wetlands across the street. Wood chips are used to fill in wetlands, as guided by the state. f. Club house - siding still needs to be fixed but other areas have been fixed. Club doesn't own the club house, club has a lease with the town g. Goal for next year is to either get 2 new sleds or a side by side with tracks. If two new sleds, then some older sleds can be sold. Currently we have 8 sleds, with everything paid for. Possible redoing some signs for next year h. Good press for the club with 2 articles recently. i. Maintenance sheets get to Bob as soon as they are completed
