VOTE: 8-0 (gene not here yet)

b. Treasurer's report: Balance: **\$9,806.15** current balance

4. Old Business

a. President's report -- We received the MSA grant of \$6300.

- We filed for non-profit organization number in order to produce documentation of our status... this is a requirement for the club to accept the grant from the Narragansett Number One Foundation of \$4,500

b. Vice President's report -- Mike talked to the town (Limerick) about our putting a "box" outside for misc. equipment/etc. that is taking up space in the clubhouse

c. Trail report: we have substantial, if not unprecedented trail-work to do from the April storm. This includes many downed trees as well as bridgework due to moved, misplaced or damaged bridges. Several trail routes are compromised or in question that will need attention with owners to alter or re-route trails. We need to get out and assess the extent of needs around all trails over this summer.

d. MSA Update: none

e. Board updates/recommendations (None at this time)

5. New Business

a. Communication with members, old and new: Bob asked about reinstating email contacts with our membership to keep them apprised of club activities on a monthly basis. Any not wishing to receive updates can readily be removed from the email list. Members appeared to agree that this may be useful—particularly to point folks to the website and to hopefully signing up for the auto-messages.

b. Brief discussion on potentially changing club meeting day to another day of the week. This will be followed up on at a future meeting.

6. Announcements:

- Next Club meeting—tentatively for **September 8th—4:30pm.**

7. Motion to Adjourn

Gene Gerry moved, 2nd by Kevin Vermette to adjourn at 5:13pm.
