Dear Zontians,

Life starts over again when September arrives and so I guess we do welcome our new season: Zonta of Westchester 2026-27.

The Zonta 67th International Biennium was held in Vancouver in July. The goals for the biennium of Zonta International are:

- Ending gender-based violence
- Expanding the Zonta says no campaign.
- Climate justice
- focusing on gender transformation climate adaptations
- Educational representation for women in decision making processes
- Educational equality-Equal representation in leadership positions

Our member, HYONOK Kim, has had a new movie premiere. Congratulations to her. We need to find out more about this film.

International day of the girl is October 11th with the UN theme of “End Child Marriage and Invest in Girls’ Rights”. Now in the United States, 17 states Washington DC and two territories had made a movement to end child marriage. That means that there are still 33 states in the United States that allow child marriage.

Donna Medley attended the Washington March for Voting Rights on the weekend of July 30th. Many of the issues that we are concerned with are violations of the rights of women. Donna will share some of her experiences at our meeting.
