CONSTITUENT OF ZONTA INTERNATIONAL  
DISTRICT 3                      AREA 1                      ORGANIZED 1931

Dear Zontians,

“Celebrate endings for they precede new beginnings,”  
Jonathan Huie

Happy new year to all of you! Here we go again  
beginning another year of work to improve the quality of life  
for women and children around the world.

Alert-Angelina's restaurant now has a new name, and  
it is called El Gusto. Our next meeting will be at El Gusto on  
Tuesday January 21st at 6:30 PM please mark your calendar!!

At our last meeting a representative from “Neighbors  
for Refugees” Spoke to us regarding the resettlement of  
refugees planned to be in place prior to the new  
administration entering the White House. Fortunately, a new  
family of a mother, father and four children are poised to be  
resettled in White Plains, which is a sanctuary city this  
month. We have already designated and bought \$575 worth  
of supplies for this family, some members of our group have  
voluntarily purchased additional supplies. There are also  
opportunities to physically help the family with shopping and  
driving and even with setting up the apartment, these  
outreaches will be brought to your attention at our next  
meeting. In this way we have absolutely helped to change the  
lives of this woman her husband and her children. Words  
cannot express my gratitude to all of you.

As of this writing we are scheduled to have a speaker  
from My Sister's Place women's shelter to update us on the  
issue of violence against women. As you know one of the  
mottos of Zonta is “Zonta says no to violence against  
women.”

A reminder of the biennium international Zonta goals are as follows: preventing violence against women, working for climate justice having women in decision making positions and education and equality for women. With that in mind Zonta is emphasizing gender equality climate action. Women are less able to rebuild their lives due to the widening gender gap in education, pay, legal rights, leadership and societal responses to climate justice. More women than men are displaced by global warming. An estimated 12.5 million girls drop out of school because of global warming issues. 67% of climate related issues are made by men further limiting the power of women. Zonta has established an international think tank which meets the second Sunday of odd numbered months. I like you probably feel quite helpless however I am going to try to register for "Zonta says NOW think tank." Feel free to do the same and if I am successful, I will report back to you anything that I have learned.

Perhaps our most famous Zonta member was Amelia Earhart. Zonta International celebrates her life and legacy in January designating it as Amelia Earhart Month. We will also try to commemorate her at our next meeting.

Finally, if you have any ideas for a project that you would like us to support, please bring it to the club's attention.

Kindly let me know if you will or will not be attending our next meeting as I need to appraise the restaurant of how many people to set up for.

A happy and healthy New Year to all of you!!

Joan Mallory  
President
