ZONTA CLUB OF WESTCHESTER
CONSTITUENT OF ZONTA INTERNATIONAL
DISTRICT 3 AREA 1 ORGANIZED 1931

April
2026

Dear Zontians,

April is often described as a vibrant rainy bridge between winter's slumber and summer's warmth. Anyhow, we welcome sweet springtime.

The very first thing I want to request is that you **let me know if you are able to attend the April 21st meeting.** Unfortunately, I had to cancel last month's meeting because I only had three people respond. Only one of the three said that they could attend. The point is that in order for the restaurant to accommodate us they must have a headcount. Please let me know as soon as possible whether you will be able to attend On April 21st. Thank you so much.

This promises to be an eventful meeting due to the work of Sheila and Nora, as we have a recipient for the **Young Woman in Leadership Award.** Her name is TENIOL AROLE, and she will be attending our meeting with her mother. It will be an honor to give her this award, and I hope we can all celebrate with her.

Our Zonta Governor, Dorothy Kanuer, is planning to attend our next meeting. This is very exciting and I hope nothing comes up in her very busy schedule that will cause her to have to cancel.

We had a makeup zoom meeting on March 24th. We spoke about planning a fundraiser on Sunday May 24th at 4:00pm. It will be a MUSICAL SOIRE. We will have a limited number of 25 seats. The musicians, who are friends of mine, will perform pro bono. We'll talk more about this in detail at our meeting on the 21st so stay tuned.

Gigi and I attended the CSW conference meeting in New York City on March 16th to meet the president of Zonta International, Salia Tuominen. She reinforced the fact that our goals for Zonta are needed more than ever before.

Reverend Paul Fleck, also an attorney for immigration, will be back as our speaker to give us an update on ICE and what is going on in this area affecting our whole population but certainly detrimental to women and children. We look forward to seeing him again.

Please stay alert to what is going on with the Save Act which is really a voter suppression act affecting women, minorities and Native Americans in an attempt to disenfranchise us.

Gender based violence is increasing in America and it is actually taking digital forms. Survivors are paying the price. A large percentage of online videos are pornographic and many of them are artificial targeting women with nonconsensual sexually explicit images, yet despite this lasting harm we have little legislation to protect us. This is something we must speak to our Congress people about for our own protection.

Again, looking forward to seeing you on April 21st Please let me know if you will be in attendance.

Sincerely,

Joan Mallory
President
