Dear Westchester Zontians,

It is said that spring is the lovely reminder of how beautiful change can be. I am sure that we're all looking forward to the change in the weather that we hope spring will bring. Remember that daylight savings is March 13th, two days before our **next live in person meeting** on March 15th.

Please remember that at this meeting we will be honoring Nora Gorman as we commemorate her 30 years of service to the Zonta Club of Westchester.

Thank you so much for your attention and favorable comments on the PowerPoint in honor of Outstanding Women of Color whom we honored for Black History Month at our last meeting.

Unfortunately, there was a misstep with our speaker last month, but I am hoping to rebook mayor Shawyn Patterson Howard for the March meeting. I will let you know prior to the agenda going out if she is available.

There has been no further progress on Senate bill 6040 decriminalizing prostitution.

Please mark your calendar for Saturday April 23rd when our district planning meeting will be in Princeton, NJ led by area director Lois Roman. The meeting will be from 10:00 to 1:00 o'clock and we now have three Zontians who are planning to attend. If you would like to join us, please let me know.

Gigi is taking an inventory on our birthing kit supplies. We plan to set up a time in the spring to assemble kits so as not to waste our current surplus.

I am looking to collect small (not tiny) purses for a project involving homeless women housed in a Westchester shelter in White Plains. Ultimately, it would contain some goodies and a \$20 gift card. If you have a decent purse to donate, please bring it to our next meeting.

Any ideas for projects or fundraisers are welcome.

See you at our next meeting. If you are unable to attend, please let Nora Gorman know. Also, **PLEASE CONSIDER** inviting a friend so that we can introduce more women to the mission of Zonta!

Sincerely,

Joan
