ZONTA CLUB OF WESTCHESTER
CONSTITUENT OF ZONTA INTERNATIONAL
DISTRICT 3 AREA 1 ORGANIZED 1931

November
2021

Dear Westchester Zontians,

November comes and November goes, the last red berries and the first white snows...WAIT, not so fast with the snow but happy November.

VERY IMPORTANT ANNOUNCEMENT - We will be planning to honor Vera Voges' 40th year as a Zontian at our next meeting. Please plan to attend and celebrate this extraordinary woman. Also, since Vera comes in from New York City, we're going to ask that we start the meeting at **5:30pm one hour earlier** in November to facilitate her arriving home at a safe hour.

Dianne Job and I attended the district three meeting in Wilmington Delaware from October 22nd to the 24th. We attended many sessions in order that we would understand a little bit more of how Zonta works. The emphasis in the next year will be the ways that Zonta is working to mitigate global warming which particularly affects women disproportionately. We also had elections for area directors, and I was elected to be the area one director when my term as president is finished. There is an interesting story to this election, and I must think about whether or not I will share it with you at our next meeting... a bit of a teaser. We learned a lot about what the other clubs are doing, and I think that they're all doing amazing things and I believe that we are completely competitive with them and on the same page. I was proud to be a Zontian at this convention.

I am hoping to work out a fundraising event with Tahmina Ali and will report on that to you.

Also on our agenda is what to do about our December meeting. Do we have an Auction, Party, Potluck?

The speaker for our next meeting is not yet secured but I did reach out and hope to advise you of who will be our speaker by e-mail when I have confirmed it.
See you on November 16th 5:30.

Sincerely,

Joan
