HUMBLE G THA FIDDLA

BIO

Humble G tha Fiddla is an Indigenous/African American born, Award Winning Violinist/Vocalist. He studied at the prestigious Cleveland Institute of Music & performed in several orchestras contributing to his natural evolution as an organic song writer, singer & composer.

Coined 'The R.S.V.P' (Rapper, Singer, Violinist, Producer), Humble is making his breakthrough as an international musical phenomenon. With his unique integration of eclectic violin, vocals, & lyrical finesse, he fuses the combination with the rhythms & sounds of Hip-Hop/R&B, AfroBeats, Reggaeton & EDM that creates a world fusion experience.

Having over 2000+ performances, Humble has graced stages from the Rock Hall of Fame to Caesars Palace in Las Vegas, the U.S. Tennis Open at Flushing Meadows (NY) & the (Clive Davis Theater at The GRAMMY'S Museum (L.A.) Most noteworthy, is his performance for President Barack Obama, as the first musical act to ever perform for his campaign. Humble has shared the stage with numerous artists such as KRS-1, Bun B, Nick Cannon, V.Bozeman, Kindred the Family Soul, Ohio Players, Bone Thugs-N-Harmony, & Force MDs to name a few. He also graced the stage at Summer Jam 2019 where he performed alongside YFL Kelvin, Da Baby, DojaCat & Meghan the Stallion.

In 2019 he became the first Independent Music Artist to raise the most funds for a Kickstarter campaign. He traveled the east coast with his newly launched music label, International Music Group (IMG) on a radio campaign promoting his single 'Unforgettable' (200k Streams); hitting 14 major markets in the Tribeca area, including Shade 45 (SiriusXM) & 'This is 50' (50 Cent).

Immediately after, he shot the 'Unforgettable' music video in Miami -directed by Oprah Winfrey Network director Crystle Roberson (Queens, American Soul) which released summer 2020 during his first independent Virtual Summer Concert with over 10,000+ viewers world wide.
