

Are You Going On Medicare at 65 or Waiting Until you Retire?

Do you find yourself asking these questions about Medicare;

- When should I apply for Medicare?
- How do I apply for Medicare?
- Should I stay on my current health plan?
- Should I stay on Cobra or take Cobra?
- Should I enroll in Part A, Part B, Part D or Part C?
- What are my options if I am already on Medicare due to disability?
- What if I'm already drawing Social Security?
- What if I'm not drawing Social Security until at a later time, can I still enroll in Medicare?
- What does Medicare Cover?
- What does Medicare NOT cover?
- Do I need to enroll on a Prescription Drug Plan?
- What is the difference between Medicare and Medicare Advantage Plans?
- Do I qualify for Extra Help with my premiums?
- Do I qualify for extra benefits that Medicare doesn't offer?
- Are there penalties if I don't enroll in Medicare or a Prescription drug plan?

Going on Medicare can definitely seem overwhelming with all its options and details! If you have any specific questions or need help navigating the different parts of Medicare, feel free to ask. Whether it's about the basics of Medicare Parts A and B, choosing between a Medicare Advantage plan and a Medigap policy, or anything else, I'm here to help and hope to make it easy to understand. Let's talk!
