Good Morning

Can you let me know timing of License Agreement. I need to report to MOE when I can get fencing installed. Contractor needs a day notice at least.

Thanks

Hi Ewen,

My apologize. I am just getting to my desk from meetings all day today. I am out of the office until Monday, but we should be able to sign the licence early next week. I will forward it to you and then we can arrange a time. I would plan for the fence to go up the following week if that works just to be on the safe side.

Ivano

Thanks Ivano

We are getting a lot of pressure from MOE. Please get me the license agreement as soon as possible.
