Amy and her team made it easy. She took care of everything and even pushed us a bit to keep going when we got stuck. Her advice was wonderful, and she really made sure our house was show ready. It was hard for us to downsize from where our girls grew up, but she made sure we got through. The next time we move our first call will be to Amy! —**P.O.**

"Amy was our listing agent for our house that we loved and lived in for 20 years. She made a few simply staging recommendations that really showed off the homes beautiful features and it worked! The house went under contract in less than 7 days on the market. It was a very smooth sale. She also was our agent for the purchase of our next home. Amy listened to what we wanted and knew the area we were interested in and found EXACTLY what we were looking for. We look forward to spending another 20 years in. This was another smooth closing thanks to Amy and her staff! It was a pleasure working with her!" **—C.R.**
