

ALPHABET ZONE EARLY STEAM CENTER

WELCOME LETTER

Welcome to ALPHABET ZONE EARLY STEAM CENTER, the innovations in early childcare and education for your child. We offer a structured program for children ages 2 thru 12. Our primary goal is to implement a program based on the Philosophy that "Children construct their own learning". We believe that every child should move along at his/her own pace and should be allowed to go as far as he/she is capable of soaring. Our program is hands on and enriched with technology and culture. Our staff are experienced and well trained to meet your child's needs. We look forward to watching your child grow and making new life long friends. Our summer program is full of activities to keep your child's interest and help your child to learn and experience new and exciting things.

ALPHABET ZONE EARLY STEAM CTR would like to thank you for giving us the opportunity to provide quality childcare to your family. We would like to assure you that your child is in very capable hands with our trained, experienced staff and that we will do all that we can to accommodate your childcare needs.
