RE: 2023 NM Visita's Release and School Designations

On Friday, November 17, 2023, the New Mexico Public Education Department (NMPED) will release the 2023 NM Vistas School Designations celebrating schools that are beating the odds. They are the most innovative and are proving that demographics do not define our students' educational and life outcomes; and identifying schools who require additional interventions and support, have been identified as in need of improvement. Additional information for each school can be found on the [NM Vistas Schools page](#).
