

The Bucksaw Challenge!

Paddle-Pedal-Run

Saturday October 9, 2021 at Bucksaw Marina

Registration opens at 8am

Race at 10am

ALL COURSES WILL BE MARKED

1st leg: A 3 mile paddle from the marina, out and back. We will have a mass start in the water. Kayak, SUP, canoe, rowboat! Gorgeous views of the bluffs along this quiet water route. We will pull your boat out of the water upon your return so you can get to the event pavilion and tag your partner for the bike ride or get out there yourself.

2nd leg: A 14 mile gravel bicycle ride, leaving from and coming back to the event pavilion at Bucksaw Marina. A couple hills and lots of rolling farmland. Team and solo competitors will re-enter the pavilion, park your bike, then tag your 5k partner or head out on the run yourself.

3rd leg: A 5k run leaving from and coming back to the event pavilion. Beautiful flat run on a quiet paved road. Upon return, you will pass through the yellow arch and have completed the Bucksaw Challenge!

Solo entry: \$50
Team of 2/3: \$85
Proceeds benefit
Clinton Girls on the Run
