

## DYSART EDUCATION FOUNDATION

Supporting the Dysart Unified School District Community

Dysart Education Foundation is a non-profit organization dedicated to supporting teachers and students in the Dysart Unified School District. Our board is comprised of active and retired DUSD employees, community leaders and parents.

# BECOME A BUSINESS SPONSOR

Healthy schools are essential both to the well-being of individual students and the civic health of the community.

**Dysart Education Foundation** (DEF) is a non-profit organization dedicated to supporting teachers and students in the Dysart Unified School District (DUSD). Our Board is comprised of active and retired DUSD employees, community leaders and parents.

Business and individual donations are an essential part of Dysart Education Foundation's success. These tax-deductible donations allow DEF to identify and fund opportunities beyond the district's tax-supported budget. Because we rely heavily on our volunteer Board and committee members, our operational costs are kept to an absolute minimum.

With partners such as you, DEF has made a lasting impact on students within the Dysart Unified School District:

**We have several options for sponsorship that allow you to show your support and find the right fit that suits YOUR business needs.**

1. Annual Sponsorship packages are a simple and easy option designed for the price range you have in mind and offer benefits including event tickets and recognition, media coverage and other visibility within the community.
2. We also gratefully accept the donation of resources.

Once you've selected your level of support or if you have questions, simply email us at: [scholarships@dysarteducationfoundation.org](mailto:scholarships@dysarteducationfoundation.org) and a member will assist you.

"I would like to thank the donors, the staff, and everyone else who helped me get through college and to where I am today! I now have the honor of having my own office in the blue skies. I'm simply awestruck that this dream that I had as kid to become a pilot has come true. I feel a great blessing every time we line up on the runway about to take off :) This is a first step in my career in aviation. I have a contract with the airlines down the road when I meet my minimum hours requirement. I look forward to the places I'll go and already cherishing the places I've been to. Again my sincere thanks to the Dysart Education Foundation!"
