Multiple checks were written for training and conference reimbursements.

Walt Daugherty reminded the committee that, just like to past 20 years or so, the contribution made by Bexar Metro 911 is intended to be used by the LEPC to fund training for local first responders. The LEPC is basically a pass-through for fund distribution. The funding amount is up to \$16000 a year.

VI. OLD BUSINESS:

None.

VII. COMMITTEE REPORTS:

a. HazMat Watchdog Committee:

Billy Johnston, BCOEM, on October 24, 2018 a large hydrocarbon spill occurred along the border between Kirby and San Antonio. A mixture of diesel and oil spilled during a rain event that traveled and pooled, with no RP. SWS remediated the site.

On November 9, 2018 there was a high-water rescue near Lacoste/Medina Countyline. A large vacuum truck hauling expended cooking grease to the treatment plant encountered high water. There appeared to be no release from the tank, and water levels receded.

Mike Wagner, SAFD Hazmat, briefed the attendees on the HazMat runs over the last month. There were 13 calls last month, with a majority being good intent calls and fuel spills from accidents.

Abe Gallegos, CPS, advised on October 31, 2018 there was a pole collapse during the high wind storm event that caused approximately 16-gal spill that flowed to a stormwater embankment. Reported to TCEQ.

b. Training Committee:

Billy Johnston advised on the 2018 HOTZONE Conference. He noted that this year's conference seemed better than the past, and there was a new hazmat competition. Additionally, he talked about a program called PEAC, which is similar to CAMEO. Billy said that if the committee has an interest in learning more about the program, a presentation could be organized during a future LEPC meeting.

Billy Johnston brought up the idea of having a hazmat competition. After some discussion, Walt Daugherty made the motion to make a Hazmat Competition Subcommittee under the Training Committee with Billy Johnston and Mike Wagner as co-chairs. Motion was seconded by Willie Davis. Motion was approved.

Walt Daugherty mentioned that he is looking for someone to take over the Texas A&M fire school/Bexar Metro 911 program.

c. Facility Operator Liaison Committee (RMP/Tier II):

Hal Lovejoy advised that the TCEQ is hosting the new Tier II reporting system training on December 12, 2018 in San Antonio. Registration is available online at:

Nothing to Report.

g. THIRA Annex Q:

h. Community Outreach Committee:

Over the past month there was one community outreach event attended by LEPC, Bexar County 2 Fire Department 4th Annual Community Fire & Life Safety Fair. It was well attended at a great location at the Alamo Ranch Lowe's Parking Lot. Damon Shodrock borrowed Calumet's extinguisher prop, and the demonstration went well.

Damon Shodrock provided an update on the LEPC's trailer. There was a Community Outreach Trailer Task Force meeting in late September. They reviewed decal proposals and chose one. Also, there was discussion about towing and parking options. Bexar County has gotten approval and offered to park the trailer at their new facility, along with towing possibilities.

Craig Manifold mentioned that ESD 7 will be having an open house soon, along with Helotes having a community event.

The Poison Center noted that they are actively looking for opportunities to participate in community outreach. They would like to partner with the LEPC.

VIII. NEW BUSINESS:

None

IX. ANNOUNCEMENTS:

Randy Grimes, Flint Hills, announced that the check presentation, for the Helping Heroes Grant Program, was held last Wednesday for the San Antonio area. The recipients were Bexar County Hazmat, China Grove Fire and Rescue, Cibolo FD, Kirby Volunteer FD, Seguin FD, and Wilson County ESD #3. This year's award checks totaled \$25,960.

Craig Manifold reminded the committee about the Stop the Bleed campaign, and the free training offered.

X. ADJOURNMENT:
