

## Volunteer Role Description

### POETRY & BOOK CORNER LEAD - PM

#### About get2getherlocally CIC

Get2getherlocally CIC is the umbrella brand for various community activities, principally Hilary's Hut, a free over 45's social meet up group for 'active adults' to combat loneliness in the community.

The aim of G2GL is to provide information and opportunities to 'get together locally', make friendships and provide activities for positive mental and physical health. A key value of G2GL is that all activities are provided free of charge (or at a subsidised rate/ donation) as being alone is not to be profited from. It is also important that all community members have an opportunity hear about and able to come to Hilary's Hut without discrimination.

**We are hoping to launch a second 'Hilary's Hut' every third Wednesday of the month at Christ Church Hall 2-4pm.**

**This is an exciting role with a real opportunity to make a difference and join a fun and friendly Team.**

**We are expanding due to Member requests and demand. There are opportunities to learn from the existing Morning Team and be involved from the launch which we hope to be from the Summer 2024.**
