4	Chairman's Report	Thanks all for your help in my first year , especially members of the committee and those clubs who provided MATS for finals day and a special mention to Lin Cooke for organising the running order. Everything ran smoothly through the year, mainly due to the foundations laid down by present and previous committee members. I also think the layout for the web site has improved, it is now much easier to update thanks to Graham Davey and Paul Daniels, who has brought it inline with the Suffolk Carpet Bowls site. The popularity of the presentation dinner continues to grow with 89 attending, an enjoyable evening with great food and good company. Unfortunately Michael Kinsey has decided too resign as Secretary, I would like to thank Michael for his support during my year as Chairman and his help in previous years. The same to Trevor & Di Cornwell who have stepped down from the Committee for health reasons, I am sure we all send them our best wishes for the future. On another negative point, due to lack of members New Astley will not be competing in the League this year. They are hopeful club membership will grow in the near future. On a more positive note I would like to welcome a new club, Ousden who will be joining the West Division.
