

# HAMMOND LIONS FOUNDATION, INC

## PROUDLY SERVING THE HAMMOND AREA FOR 45 + YEARS

February 3, 2026

Happy New Year to You, our Business Community and Sponsors!

2025 was another busy year and preparations for 2026 are taking place. We continue to make improvements at Lions Heartland Park with the grounds and building as well as making significant donations to our local community and residents. Our facility is now ready and available for rent for any type of event. We know that our past year upgrades including an indoor bathroom, internet, t.v., sinks, etc will make this a much more desirable space. You can contact Wally at 651-587-4405 or [hammondionsfoundation@gmail.com](mailto:hammondionsfoundation@gmail.com) for more information.

As we focus on making our venue an even more family friendly space, one of our top priorities is putting in a playground. We know this would be great addition to the grounds after realizing the success of the dog park.

2026 events currently in the planning stages include our annual Truck and Tractor Pull which will be held on July 4<sup>th</sup>, and the annual Golf Tournament in September. The Hammond Heartland Days Celebration with a truck & tractor pull will be taking place August 6<sup>th</sup> - 9<sup>th</sup>. We will again be focused on making the celebration a family friendly event with kids games, a fun run, pup parade, live music, and much more! Please plan to come and join us and support your local Lions Club!

Enclosed with this letter are opportunities to donate to the Hammond Lions Foundation. We have added a **DONATE NOW** button on our website home page. Just go to [www.Hammondheartlanddays.com](http://www.Hammondheartlanddays.com) and scroll to the bottom of the page to DONATE NOW. Also attached is information on where to mail a donation and where our fundraising dollars are spent.

As always, our mission remains the same, **WE SERVE**. We cannot thank you enough for considering the enclosed opportunities! Please contact us with any questions you may have.

We know that there are still many needs to be met in our community and are more excited than ever to work diligently to meet those needs. If you or someone you know would like to join the Hammond Lions Foundation, please contact Jo Moll @ 651-343-7963 or [jo@dishup.us](mailto:jo@dishup.us)

All the Best in 2026,

Hammond Lions Foundation Donation Committee
