

HAMMOND LIONS FOUNDATION, INC

PROUDLY SERVING THE HAMMOND AREA FOR 44 + YEARS

March 24, 2025

Hello to our Business Community and Sponsors –

2024 was a very busy year for the Hammond Lions Foundation. We are very proud of our accomplishments at the Lions Heartland Park and within the community.

With the completion of the street project and water and sewer running to our current building at the Lions Heartland Park, we were able to put on a much needed addition for storage and meeting space. Our current set of bleachers were replaced with a newer updated set. A great addition, especially for our truck and tractor pulls! Our dog park continues to be used by community members every day. We know that these changes will make the event site an even more desirable location for use by various organizations and community members for events, graduations, birthdays, reunions, meetings etc.

2025 events currently in the planning stages include our annual Truck and Tractor Pull which will be held June 28th, and our annual Golf Tournament in September. The Hammond Heartland Days Celebration with a truck & tractor pull will be taking place August 7th - 10th. We will again be focused on making the celebration a family friendly event with kids games, a pup parade, live music and much more!

Enclosed with this letter are opportunities to donate to the Hammond Lions Foundation. We are excited to offer another way to donate. We have added a **DONATE NOW** button on our website home page. Just go to www.Hammondheartlanddays.com and scroll to the bottom of the page to DONATE NOW. Also attached is information on where to mail a donation and where our fundraising dollars are spent.

As always, our mission remains the same, **WE SERVE**. We cannot thank you enough for considering the enclosed opportunities! Please contact us with any questions you may have.

We know that there are still many needs to be met in our community and are more excited than ever to work hard to meet those needs.

Sincerely,

Hammond Lions Foundation Donation Committee

In 2024 the Hammond Lions Foundation donated \$47,195 to various local organizations. Without your generous donations this would not be possible. We thank you for your continued support!!
