YOUNG WIDOWS

A lot, of young ladies unfortunately lose their husbands early in life and find themselves faced with challenges they were not prepared for. Often times than not, the devil makes them out of frustration see- themselves with no option but to mess around.

Paradise Gospel Mission is out to make- them understand that the lose of a spouse is not the end of life.

This we will do through the provision opportunities to be engaged in productive and profitable trades like tailoring, catering, and 'other forms of businesses.

This will also be done with' the gospel of Chr|st's love in mind.
