Apply early – applications will be approved on a first come first serve basis, and we may run out of funding. Submitting an application does not guarantee that you will receive funding to support the cost of your CSA share. Please allow up to 4 weeks for your application to be reviewed. If your application is approved, you will receive further instructions for how to pay your up to 60% cost responsibility and arrange the details of your share. Payment will be made directly to the CSA farm.
