# 01

## Our Expertise

We have expertise in providing business and management consultancy, especially in Waste Management sectors to companies of all sizes. Our team deeply understands the Extended Producer Responsibility (EPR) of the industry and can achieve your business goals by reducing, recycling & disposing the waste in the right manner.

## Our Approach

We believe in taking a customized approach to each of our clients. We work closely with you to understand your unique needs and challenge, and develop solutions that are tailored to your specific situation.

We fulfil your obligations of Extended Producer Responsibility (EPR) related services like EPR registration, compliances, social awareness as well as quarterly and annual returns for producers as well as recyclers.
