\*In line with the Malaysia Government's MyDIGITAL initiative to create an inclusive digital society across ASEAN region.  
 \*An enabling tool for the implementation of ICT toward SDGs covering socio-economic development projects

**Key Industry Usage & Product Utility**

The Superkit Can Fuel Tech Startups Across Geo-energy Industry in line with Malaysia Digital Vision OnDemand Anywhere.

Smart Wellness Monitor, Edge Computing Super Cluster, 360 Degree Ultra HD Camera, Extended Reality Headsets, Green Hydrogen Power Kit, Ergonomic Chairs & Smart Desks, Enterprise Grade 3D Printers, High Performance Portable Workstations, Interactive & Immersive Super Apps & Console, Enterprise Grade Drones, High End Laptops & Mobile Workstations, Haptic Suits & Gloves, Ultra High Speed Internet Connection based on 5G & Fiber Optics Plans from local & global data connectivity providers.

**1.0mn+ Professionals & Executives**

**10k+ Startups**

**1.0k+ Large Corporations**

**100+ Higher Educational Institutions**

**20+ Professional Societies**

**10+ Geo-Energy Hubs**

Estimated Net Present Value of Intellectual Assets of ENHEROES using future income method. **\$115.51bn** Exclusive IP Commercialization Potential

**USD1.0Bn+** International Patent application (PCT/MY2021/050029)

- IP based on **Novel AI Technology**
- Exploitable Commercially by Licensing **Exclusive Patent Rights in 20+ Countries**
- Freedom of commercialization in 150+ Countries** without any legal Entry barrier
- Unique & Highly Valued** as confirmed by World Intellectual Property Organization after Substantive Patent Examination
- Provides upper hand in **Business Collaboration or M&A negotiations**
- Enables **faster Market Penetration** due to limited competition.

**ESG Impact by 2030**

**Reduction of 1.3 Trillion Tons of Carbon Footprints by commissioning SuperKit enabled Urban Sustainability Solutions.**

**Socio-economic empowerment & Environmental Justice to 10.0 million under-privileged ASEAN citizens**

Facilitation of Equitable Executive Education & Sustainable Computing Access to **1.0 million Geo-Energy Community across the Globe.**

**Generation of USD 10.0 Billion Dollars Revenue from selling 1.0mn SuperKit Subscriptions in 150+ Countries.**

**Unlock USD 50 billion worth Sharable Carbon Neutral Economy from 100+ Geo-Energy Digital Impact Super Parks across the Globe.**

**Call to Action**  
 ENHEROES Super Kit project & Geo-Energy Digital Impact Super Parks shall empower executives & leaders across Geo-Energy sector to co-create business profitability & social progress while protecting the planet, a first of kind urban resilience solution in its segment propelling Doing Well by Doing Good philosophy. **Please support this mission by becoming a Subscriber of ENHEROES Early Impact Angel Program & becoming an Ambassador of our Upcoming Digital Geo-Energy Sustainability.**

**Team & Community Support**

- ENHEROES has open support of hundreds of Leaders & Domain Champions across Geo-Energy sector.
- ENHEROES is in process of setting up a Rapid Commercialization Team.

**Plans for next3 years**

- Commission 10000 Business SuperKits
- Set up a Geo-Energy Digital Impact fund
- Commercialize a Digital Twin Super University
- Commercialize a Digital Twin Expo & Exhibition Facility
- Commission a Community Led Green Supercomputing Grid & Hyperscale Data Center

**What makes ENHEROES worth investing?**

- Offers Industry First Solution for Sustainability Commercializing a Responsible Technology
- Entering a Niche & Premium Market
- Envisioning Green Supercomputing
- Being Impact Focus & Built Brand Visibility
- Prototyping Futuristic WFH Gadgets
- Clearly Mapped Investor Exit Blueprint.
