## BIKE RENTALS

The 28-foot wide boardwalk has designated lanes for bikers, to keep everyone on the boardwalk safe. These lanes are dedicated to bikers, surrey riders and skaters. Virginia Beach allows standard bikes, beach cruises and four-wheeled surrey bikes on this path.

**[Cherie's Bikes and Blades](#)**

[2417 Atlantic Ave](#)

In addition to carrying all of your summer vacation essentials, **Ocean Waves** also offers surrey bike rentals. Pedal your bike from their location between 32nd Street and Atlantic Avenue to the bike lanes near the boardwalk.

# FUN FACTS

- Virginia Beach is the largest city in Virginia with a population of about 460,000 (44th most populous city in the US)
- Virginia Beach is home to plenty of celebrities including Gabrielle Douglas, Pharrell Williams, Timbaland and Missy Elliot
- The Virginia Beach Boardwalk was originally built in 1888
- It is the largest city in Virginia by total area. It's almost 500 square miles in size, making it much larger than Washington, DC (68.3 square miles with a population of almost 600,000 people) and even bigger than Manhattan, which is just 33.77 square miles
- The King Neptune statue that stands at the Boardwalk and 31st Street was cast in bronze in China. It stands 34 feet high and weighs 12.5 tons
- The East Coast Surfing Championships and The Beach Soccer National Championships are held here each year
- The Guinness Book of Records lists Virginia Beach as having the longest pleasure beach on the planet. The 35 miles of sandy shores are made up of three beaches which include the Chesapeake Bay Beach, Sandbridge Beach, and Virginia Beach
- Virginia Beach is home to the Edgar Cayce's Headquarters. Edgar Cayce is famously known as the Greatest Psychic of All Time. The reason why his headquarters is located here is because he predicted that Virginia Beach is the safest place to be when the continents change shape
- In 1607, after a voyage of 144 days, three ships headed by Captain Christopher Newport, and carrying 105 men and boys, made their first landfall in the New World on the mainland, where the southern mouth of the Chesapeake Bay meets the Atlantic Ocean (where Virginia Beach today is). They named it Cape Henry, after Henry Frederick, Prince of Wales, the eldest son of King James I of England
