Remembrance

We aim to provide public commemoration of those who have died whilst on active service with the armed forces and emergency services of the United Kingdom, as well as to preserve and maintain local memorials and graves for public remembrance.

Recognition

We want to recognise the amazing work that our emergency services do and have done to keep us safe and healthy. We want to show our appreciation for the incredible job that our armed forces do to maintain peace and protect our freedom around the world.

Recovery

We want to help protect the mental and emotional health of local service personnel, their partners or spouses, children, dependents and immediate family members in Newick and the surrounding area.

Resources

We hope to provide the resources to relieve the suffering, hardship and distress of local service personnel, their partners or spouses, children, dependents and immediate family in Newick and the surrounding area.
