In the hospital, if you have not already done so, you will be asked to provide the Case Coordinator with 3 Homecare Service Agencies, that you would like to provide your home services after your hospital or skilled nursing facility stay. The list above has been provided to assist in those choices. You may choose a facility that you have had a previous experience with that is not listed. We would like you to know that you have choices.

So that you will be able to give the Case Coordinator your choice when asked, please list your choice below, in the order of preference.

1. _____
2. _____
3. _____
